

GFDL Publications

NOTES:

-Federal Authors Peer-Reviewed Papers includes papers by at least one GFDL federal scientist as an author or co-author.

-Cooperative Institute Authors Peer-Reviewed Papers have at least one Cooperative Institute scientist as an author or co-author and have no GFDL federal scientist as an author or co-author.

-GFDL and CICS-P Co-Authors Peer Reviewed Papers have at least one GFDL federal scientist and at least one Cooperative Institute scientist as an author or co-author.

-See the GFDL publications database at: <http://www.gfdl.noaa.gov/bibliography/> for individual contributions.

-For its publications per scientist, GFDL includes all of its scientists in this mix including PIs (most Pay Band IV and above and equivalent), Post-Doctoral and Visiting Scientists, Support Scientists, and Graduate Students.
