

GFDL Publications (1a)

NOTE:

GFDL Authors Peer-Reviewed Papers have at least one GFDL federal scientist as an author or co-author. Cooperative Institute Authors Peer-Reviewed Papers have at least one Cooperative Institute scientist as an author or co-author and have no GFDL federal scientist as an author or co-author.

See the GFDL publications database at: <http://www.gfdl.noaa.gov/bibliography/> for individual contributions

For its publications per scientist, GFDL includes all of its scientists in this mix including PIs (most Pay Band IV and above and equivalent), Post Doctoral and Visiting Scientists, Support Scientists, and Graduate Students.
